- 1st Village Offices Closed for New Year's Day
31st Fourth Quarter 2018 **Water/Sewer Bills Due**

Get Involved

The Village of Fowlerville encourages residents to take an active and engaged role in their government and community. Being active within the community is a win-win: helping others strengthens the sense of community and sense of belonging for all involved. The Village of Fowlerville and Livingston County have numerous organizations, committees and groups for various levels of volunteer commitment. Whether just for an hour, working behind the scenes or accepting a role on a committee, your assistance has a positive impact on the quality of life in the Village of Fowlerville. The Fowlerville Strategic Planning Committee, Fowlerville Fourth of July Committee, Christmas in the 'Ville, and Volunteer Livingston are great places to start, but certainly not the only organizations that offer volunteer opportunities in the area. Please keep informed of events through local printed media and social media channels and reach out to the respective contacts.

Yard Waste Collection:

Brown Compost/Yard Bags are available at the Village Offices at no charge to Village Residents. Bags are also available at Kodet's Hardware (110 W. Grand River Ave.) outside of the Village's Office hours. Limit of **5 bags per week**. Please show proof of residency at the front counter during registration. Compost/Yard Bags will be picked up **EVERY MONDAY** beginning **April 2 through November 19, 2018**.

Compost must be in paper yard bags (NO plastic bags). All bags must be out for pick-up at residence curbs by 7:00 a.m. on the morning of each pick-up. **Bags that weigh in excess of 40 pounds will not be picked up.**

Large Item Stickers:

Large Item Stickers continue to be available **year-round** at the Village Offices at **no cost** to Village Residents.

Limit 3 per week. Please show proof of residency at front counter during registration. Large Item Stickers must be requested and registered by **2:00 p.m. the Monday before** the scheduled pick-up.

Requests for Large Item Stickers received after the 2:00 p.m. cut-off will be scheduled for the following week.

Compost Brush Chipping:

Brush and branches (NO lumber materials) are scheduled for pick-up the **SECOND TUESDAY of the month**, beginning **April 10 through November 13, 2018**.

Brush must be stacked in the same direction, parallel to

the curb no more than 5 feet from the roadside. Branches should be no longer than 4 feet and between

1 and 6 inches in diameter. Brush must be out by the residence curb by 7:00 a.m., no sooner than three (3) days prior to the scheduled pick-up date.

DON'T BLOW IT into the street!

Keep grass clippings in the yard... NOT in the street

WHY?

Grass clippings can clog the Village's storm water drain system. This can result in backed up drains that may flood and/or start to smell.

WHAT SHOULD I DO WITH MY YARD TRIMMINGS?

- ❖ Sweep, collect, and bag clippings for pick-up
- ❖ Blow grass clippings back onto the lawn where they become a mulch and natural fertilizer
- ❖ Rake or blow leaves into a compost pile where they can decompose without odor

FOR FURTHER INFO:

If you have questions about leaves and grass clippings please call: 517-223-3771 ext. 10
